

Election

There was a very light vote polled in Ste. Genevieve County at the special election held Tuesday. Amendment No. 2, providing for the payment of interest on the \$90,000,000 road bond issue from the automobile license fund, and amendment No. 3, authorizing a \$15,000,000 soldiers' bonus bond issue carried and the proposition providing for the calling of a constitutional convention and amendment No. 1, granting women the right to hold office were defeated in the county. The stock law proposition seems to have carried in Union Township by about 10 votes. Only 236 votes were polled in the two precincts of the city of Ste. Genevieve. Throughout the state a small vote was cast and the returns indicate that all the propositions carried except the one giving women the right to hold office.
